

ICS4U1 - ASSIGNMENT #2 – Question 1

Document this program fully with a header (name, date, purpose) and appropriate comments.

1. Complete Exercise #2 questions 2 (Fibonacci), 3 (palindrome) and 4 (valid). Put these recursive functions in one program. Complete the *main* function with the appropriate call to each recursive function using appropriate input. Name your project A2Q1.

Tentative due date: Friday April 17, 2020.

A2Q1- Recursive Functions

Problem	Criteria	Strand	Out of	Mark
Fibonacci	Code is correct and working correctly	A	2	
Palindrome	Code is correct and working correctly	A	2	
Valid	Code is correct and working correctly	A	2	
		C	3	
	Total	A	6
